

## Annual Client Survey

Each year we like to hear from the market place about how we are performing. We send out a simple survey using the voice of our customers' criteria on how to evaluate the performance of a staffing company.

### The Survey

The survey focused on the following four questions:

1. How would you rate the "quality" of employees you get from New Era HR Solutions?
2. How would you rate the skill & experience match of New Era HR Solutions employees with the requirements of the position?
3. How would you rate the "quality" of New Era HR Solutions staffing and recruiting services?
4. How likely is it that you would recommend New Era HR Solutions to a friend or colleague?

### The Results

The results (shown right) make us very proud that we are meeting and exceeding our client's expectations. Our goal is to help our clients improve their organizations performance. We thank you for another great year and we look forward to many more to follow.
